

PLAYGROUND OPEN

Although the risk of catching coronavirus is lower when outdoors, the virus can remain active on surfaces. If you can, consider playing other games on the Recreation Ground that do not involve touching the play equipment. Please have consideration for others. If there is a queue, please limit your time on the play equipment so that everyone can have a turn.

**THIS PLAYGROUND IS USED ENTIRELY AT YOUR OWN RISK
EQUIPMENT IS NOT CLEANED OR SANITISED**

**PLEASE HELP TO REDUCE THE RISK OF SPREAD OF CORONAVIRUS AND
KEEP THIS PLAY AREA SAFE AND OPEN BY STRICTLY FOLLOWING
THESE GUIDELINES:**

Do not enter unless using play equipment
Do not visit if you have Coronavirus symptoms:
fever (above 38°C), cough or loss of taste / smell

No more than one adult per household
Adults should monitor young children at all times

Maintain social distancing as per Government
guidelines. Do not use equipment if distancing
cannot be maintained

If the play area is full find another place to play.
If busy, please limit your time to help others

Wash your hands thoroughly before and after play
Sanitise your hands often during play

Do not put mouths on play equipment or hands in
mouths or on faces

Do not eat and drink in the playground
Please take all your litter home
