

What you can recycle - and where ...

There was lots of interest at the recent B-earth Day event, with many people finding out what they can recycle – and where?

Here is the useful information provided:

Household collection service:

Paper: newspapers, magazines, junk mail, computer paper, envelopes, catalogues and directories and paper bags

Plastic bottles: food and drink bottles, detergent bottles, toiletries (eg shampoo, shower gel, liquid soap), bottle tops

Tins and cans: food tins including pet food tins, drinks cans, sweet and biscuit tins

Aerosols: food eg. cream and oil, deodorant, hairspray

Garden waste: a separate 'opt in', paid-for collection service (although this waste can be taken to the Household Waste & Recycling Centre in Petersfield free of charge)

St Marys Church, Buriton:

Toothbrushes and toothpaste tubes

(including electric toothbrush heads)

Medication/tablet blister packs (empty)

Used stamps

Milk bottle tops (plastic)

Tesco, Petersfield:

Green collection container by roundabout:

Juice cartons (including caps and straws)

Pringles tubes (no lids)

Milk Cartons (including caps and straws)

Dough paper containers (with metal ends)

Soup, tomatoes and other food cartons

Other paper containers (with metal ends - no lids)

Inside Tesco:

Soft plastics (including supermarket bags, plastic film, bread bags, salad bags etc)

Aldi, Petersfield:

(container just inside entrance):

Crisp packets

Plastic film

Pet food pouches

Sweet wrappers

Plastic bags

Biscuit wrappers

Bread bags
